

By Road

- ◆ From M1, exit at Royal Victoria Hospital (Broadway roundabout), take the fourth exit following signs for City Centre via Donegall Road. At the end of Donegall Road, turn left into Great Victoria Street and continue to the traffic lights. Turn right into Dublin Road and then at Shaftsbury Square turn left into Donegall Pass. Continue to the end of this road where you will see the Gasworks complex in front of you. Go straight over, through the entrance gates to the Cromac Wood Development, straight over the mini roundabout and our office is on the right hand side.
- ◆ From M2, continue onto the M3, and take the first exit left immediately after crossing over the River Lagan. Follow signs for Newtownards Road and at the second set of traffic lights turn right and follow the signs for A2 City Centre, again crossing the River Lagan, via the Queen's Bridge. Turn left onto Oxford Street, passing Waterfront Hall/Hilton Hotel on your left, to the second set of traffic lights. Turn right and keeping in the left hand lane continue along Cromac Street to the second set of traffic lights where you will see the Gasworks complex on your left. Turn left, through the entrance gates to the Cromac Wood Development, straight over the mini roundabout and our office is on the right hand side.
